

JUNIOR LIBRARIAN AT THE GARMISCH COMMUNITY LIBRARY

Dear Parents,

Starting in January 2026, the Garmisch Community Library is offering elementary and middle school age kids the chance to be a Junior Librarian.

As a Junior Librarian, kids will make a display of their favorite books that will be one of our regular monthly displays. Our Junior Librarian's name and a little personal information (e.g. hobbies) will also be featured as part of the display. A photo of your child for the display is optional.

If your child is interested in being a Junior Librarian, please fill out the information below and give it to a library staff member. We will pick our first Junior Librarian in early December. If your child is selected, we will ask you and your child to provide us with some information about your child, which will be used as part of the display. Examples of biographical information include: hobbies, favorite activities, favorite school subjects, number of siblings, and pets. It is up to each parent and child to decide what to include. We will also ask your child to pick between 5 and 12 of his/her favorite books for the display and include the reason why he/she likes them.

If you have more than one child, please fill out a separate form for each child. Please bring the completed forms to the Community Library circulation desk.
